## LEAP Advantages

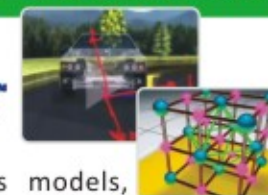

### BEST FACULTY IN THE COUNTRY

At LEAP, we have the Best faculty in the country. LEAP's elite faculty have years of experience and a proven track record of securing the highest ranks in various exams. What sets them apart is their ability to communicate and instill confidence in students which is very critical in cracking highly competitive examinations

### SMARTCLASS MULTIMEDIA MODULES

LEAP faculty uses models, videos, illustrations and every other tool to enhance the quality of the class and to instill greater interest in students. LEAP students are able to understand difficult concepts easily by seeing them in high quality 3D graphics.

### HIGH QUALITY STUDY MATERIAL

Leap provides its students with a set of study material that has been specially designed to ensure comprehension of even the most difficult topics. It includes well designed layouts, innovative explanations, simple examples and other research-proven techniques of study material presentation.

### SMART ASSESSMENT SYSTEM

LEAP Testing System which is based on benchmarking, Analysis and a complete diagnosis. Every Test is followed by an Analysis Discussion with the faculty. Students also receive a comprehensive report of their performance in the test.

Access to **VIDEO ARCHIVES**. Students can review any class on the internet anytime they want

**MOTIVATION & MEMORY ENHANCEMENT TIPS**

**ALL INDIA BENCHMARKING** and Merit List

**SMALL GROUP SIZES**
